# PROFIT STATEMENT:

## Now you can open new doors to new profits!

*An analysis of the tobacco distribution industry, with a program for increasing distributor profits*

**IT'S A FACT!** The Philip Morris / McKinsey Study—previewed and acclaimed at the 1970 NATD Convention—can and will help you increase your profits. It has already worked for many distributors.

This two-year study focuses on the most concise analysis of distributor profits ever conducted. More, it is a clear, simple *guide* for increasing profits.

If you missed this highlight of the NATD Convention, it is vital to your business to learn more about this classic study. Contact your Philip Morris Area Manager-Distributor Sales today. You will hear *more* about the most enlightening PROFIT STATEMENTS ever made in the industry.
